

OHS Policy

- **Safety First: Every task, from travel to equipment installation, will prioritize the safety of our teams, ensuring rigorous hazard assessments and use of Personal Protective Equipment (PPE).**
- **Training: All employees will undergo regular training sessions to stay updated with the latest safety protocols and health standards.**
- **Health Monitoring: Health check-ups and monitoring will be arranged for all field personnel to ensure their physical well-being.**
- **Emergency Preparedness: All operational teams will be trained and equipped to handle emergencies, ensuring swift action and minimal harm.**
- **Stakeholder Collaboration: Before any activity, necessary verifications, including OHS compliance clearances, will be obtained from stakeholders like clients.**
- **Material Handling: Equipment and material lifting will be executed following strict safety guidelines, ensuring the secure rigging and transport of telecom tools.**
- **Community Respect: Our operations will always consider the well-being of the communities we operate in, ensuring minimal disruption and maximum safety.**
- **Feedback & Improvement: We encourage feedback from all employees and stakeholders to continuously refine our HSE practices.**
- **Transparency & Reporting: Any safety incidents or health concerns will be transparently reported and analysed to prevent future occurrences.**

By adhering to this policy, Red Mango Analytics Pvt Ltd commits to providing a work environment that champions safety, health, and environmental responsibility
